I'm really excited about the future of Turning Pointe Church! Every Sunday I'm hearing stories about what God is doing in lives and how God is revealing Himself in some pretty amazing ways to many who have been away from church for quite a while. For everyone who is searching, don't stop! This is why we exist, to see God's creation live in harmony with the Father, the Son, and the Spirit, which play a key role in the life of the broken.

This Christmas is shaping up to possibly be the most encouraging sermon series for all of 2011. "The Gift" will be 4 Sundays which include Christmas Day and New Years Day! How Awesome! We get to worship corporately on 2 very special days of the year, and that really excites me! I hope you will make plans to come to ALL 4 services and bring someone with you. You will walk away with a good understanding of how God's gift to us can be unpacked for very real use in everyday life. Without this, you stay distant from opportunities of healing, joy, reconciliation, and hope.

Don't forget about this Sunday, December 11. We will be observing the Lord's Supper outdoors at 6:00 p.m. All the information is on our web-site or you can find out more Sunday morning at worship. I hope you'll bring your family, bundle up, and enjoy our time of worship together.

Stay Focused, Keep Fighting, and Merry Christmas
